Re: **Municipal Separate Storm Sewer System Permit Renewal Fact Sheet**

The General National Pollutant Discharge Elimination System, (NPDES) Permit for Municipal Separate Storm Sewer System (MS4), Permit Number TNS075647, expires on February 26, 2008. To retain coverage under the permit, permittees must declare their intention to retain coverage by submitting an Notice of Intent (NOI), prior to the permit's expiration date. Subpart 6.2 of the general permit states, in part:

"You may maintain coverage under the administratively continued general permit (until a new general permit is issued) by re-submitting the completed NOI (Notice of Intent) prior to the expiration date of this general permit."

Because, at this time, there is not an approved NOI for you to complete and submit, please provide the following information including the certification statement with a signature to the address below.
